

Nalin Jain, President & CEO, Asia-Pacific & China, GE Transportation

Nalin Jain leads the GE Transportation business in Asia-Pacific & China, which includes India, Australia and ASEAN. In this role, he is responsible for expanding the business footprint and global capabilities across the region.

He previously served as CEO for GE Aviation and GE Transportation in South Asia. Nalin joined GE Aviation in 2005 and under his leadership, the business made significant gains in the region. He was appointed to lead GE Transportation in India in 2012, and he was instrumental in winning the India diesel locomotive project worth \$2.5B - GE Transportation's largest deal in history.

Prior to GE, he was Director Global Partnerships with Bombardier Inc. focused on business development and strategy in India and SE Asia. He began his career with French engineered materials company Saint-Gobain occupying different positions of increasing responsibility.

Nalin graduated from NIT, Surat with a bachelor's degree in Mechanical Engineering, and received his MBA from the Indian School of Business, Hyderabad.
